## DETAILED ACTION

### *Examiner's Amendment*

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in an email message received from Taylor M. Davenport, Esq., on 27 October 2010.
3. The application has been amended as follows: Amend the claims as indicated in the attached examiner's amendment.

### *Allowable Subject Matter*

4. Claims 229-246 are allowed.
5. The following is an examiner's statement of reasons for allowance: the closest prior art, Kroger or Abecassis<sup>1</sup>, does not teach or suggest an information provider providing supplemental information to two or more broadcasters. An "information provider" is any provider of supplemental information, including a storage device or other machine or apparatus (para. 16 of the last Office action). See the last Office action for other claim language interpretations. To these should be added, **electromagnetic medium**, which is not disclosed in the spec. **Electromagnetic medium** is interpreted to mean any medium capable of transmitting electromagnetic waves.
6. Kroger teaches a tightly integrated system applicable to one broadcaster. Abecassis's information provider (col. 17 lines 34-49) provides supplemental information only to user device, not to broadcasters. The closest non-patent prior art, Skegg and Oliviera-Salac, suggests the teachings of Kroger for many kinds of user devices. The prior art does not teach or suggest modifying any of these references so as to provide supplemental information to two or more broadcasters.

---

<sup>1</sup> See the rejections made of record in the Office action mailed 24 August 2010, hereafter "the last Office action".

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
